LONDON FOR ALL

A ROADMAP TO END POVERTY

Transportation

5.5 Increase safe, affordable transportation options, such as improved cycling lanes and cycling infrastructure, that serve people who live, work, or seek services in London

The Cycling Master Plan for the City of London was approved by City Council in September 2016. The final public review period extended into November 2016 and resulted in the submission of more constructive comments. The London ON Bikes Cycling Master Plan provides a series of recommendations to guide London's cycling programs into the future.

A bike-share and possible scooter-share program may be launched in London in the fall or spring of 2021.
