Sometimes we all need a little help. And sometimes we can give a little help.

Individuals and families already facing barriers—poverty, hunger, lack of affordable housing—need even more help now. That’s why, with your help, United Way is working to sustain the vital social safety net that thousands of people depend on. When everyone gets a fair shot at their best life, our whole community thrives. 💜

Your local love has never been more important.

*Sometimes we all need a little help. And sometimes we can give a little help.*

Individuals and families already facing barriers—poverty, hunger, lack of affordable housing—need even more help now. That’s why, with your help, United Way is working to sustain the vital social safety net that thousands of people depend on. When everyone gets a fair shot at their best life, our whole community thrives. 💜
Your donation, each hour of volunteering, every act of kindness, no matter the size, helps ensure United Way funded programs and services are there when people need them most. When everyone gets a fair shot at their best life, our whole community thrives.

Thank you for supporting 100% local.
