

United Way Elgin Middlesex engages the community through various events and activities. Having your workplace take part in one or more of our signature activities is fun, adds energy and can make planning your campaign a little bit easier.

United for Strategic Impact (late September & early October)

Let's pull together! Teams of up to 15 participants will gather on the tarmac at London International Airport to pull a 40,000 pound airplane!

Legacy and Leadership (late October)

This event brings together high-value donors and potential supporters to learn more about the key issues facing our community. We will hear stories from those working on the front lines and the people they work with, and answer some of the common questions people in our community ask and demonstrate that individuals can make an immediate difference, through their United Way donation.

Ultimate Burger Battle (November)

Participating Restaurants each create an "Ultimate Burger", and all month donate \$2 from each burger sold to United Way.

A committee of local celebrity Ambassadors visit the restaurants to sample and vote on their favourite burger. These Ambassadors also amplify the social reach of the campaign.
