

BETTER POSSIBLE

“

It's not just about food.
It's about access, dignity,
and stability. It's about having
the right supports in place at
the right time so people can
move forward.

Better is Possible when basic needs are met

Through dozens of local programs, we helped **158,000 people** in our community get a fair shot at a good life.

When you don't have dependable access to healthy food, clothing, or the supports to get through each day, it's nearly impossible to plan for the future - let alone thrive. Last year, **322,157 meals** were served and **27,150 people** got access to essential needs like toiletries and winter clothing.

Help more people meet their basic needs.
