

# BETTER POSSIBLE

“

I haven't ever spoken for myself or made choices for myself... I'm finally loved, I'm at home and I can be myself for once.

# Better is Possible when leaving is just the beginning

Through dozens of local programs, we helped **158,000** people in our community get a fair shot at a good life.

For those experiencing gender-based violence, leaving an abusive relationship is only the first step to rebuilding a healthy life. Last year, we funded programs for over **500 people**, including **254 children and youth**.

**Help moms and children start fresh.**
