

BETTER POSSIBLE

“

My dad's in the hospital.
Instead of going home and
being alone, I get to come
here instead.

Better is possible when everyone belongs

Through dozens of local programs, we helped 158,000 people in our community get a fair shot at a good life.

Everyone deserves to feel included and connected to their community. Together, we're improving access to welcoming programs and services for over **6,000 youth, Indigenous people, people with disabilities** and others who face systemic inequities.

Help everyone get a fair shot.
